

# MERIT ACADEMY DRESS CODE POLICY

Created and updated: 8/08/24

# PURPOSE OF UNIFORMS

There is a strong correlation between student appearance and perception of excellence. Additional reasons for the uniform dress code include:

- Foster a distinct and positive Merit Academy appearance
- Decrease distractions
- Increase commitment to MA's core values and beliefs.
- Discourage divisiveness or cliques and encourage core cohesion and respect
- Increase student parity

# THE IMPORTANCE OF ENFORCING A UNIFORM POLICY

- Teaching our students to adhere to the rules, set by their authority, prepares them for the workforce.
- While we encourage students to ask “why” they are being asked to follow certain rules; we do ask that they follow these rules and expectations while asking “why”. They will be expected to follow the rules even if they disagree with the “why”.
- Allowing students to break and bend rules fosters a sense of entitlement and disrespect of authority. Something we do not tolerate at Merit Academy.

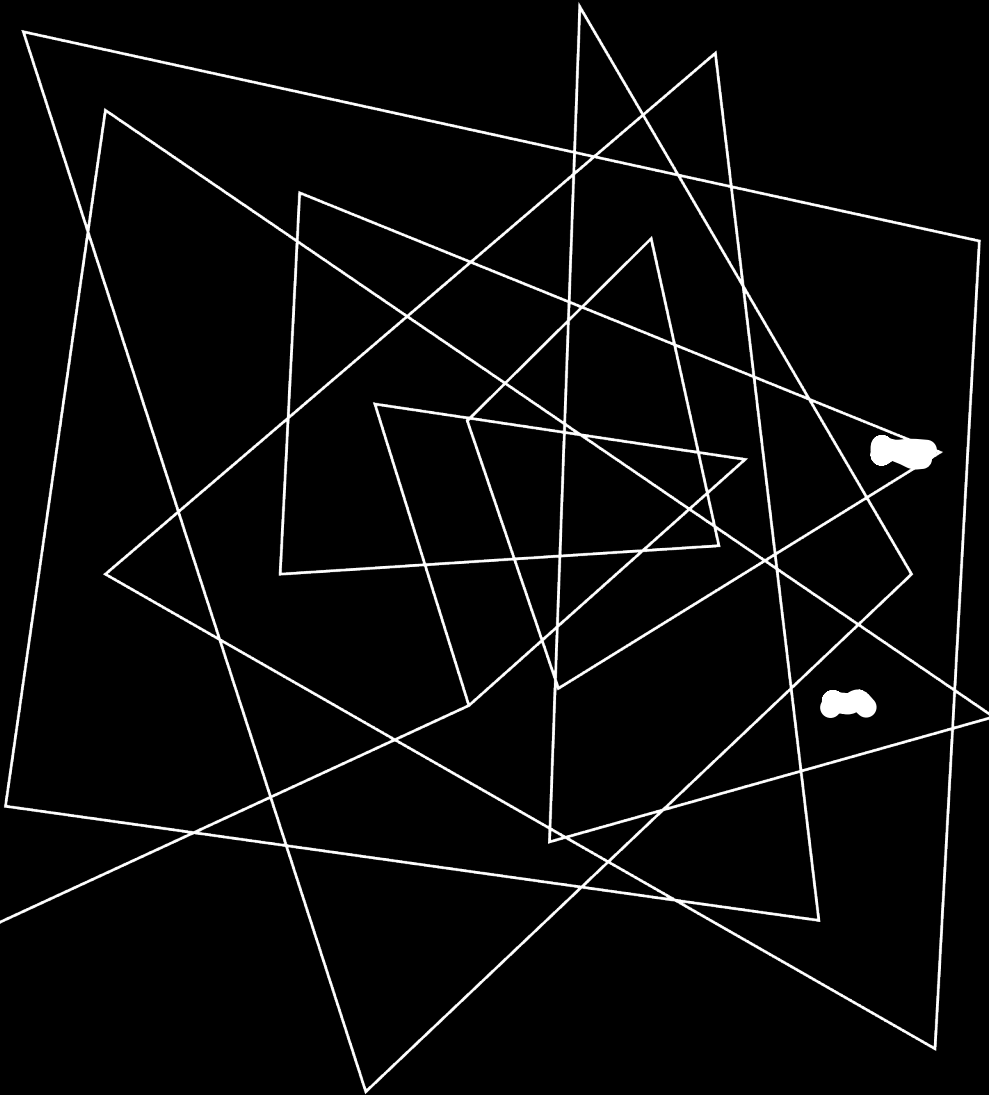

# OVERALL UNIFORM GUIDELINES

These can be found at [www.merit.academy](http://www.merit.academy) under the families and then uniform tab

## **24/25 additions:\***

## Business Casual Dress Guidelines

### Do's:

- dress pants
- Skirts below the knee
- Black jeans
- Collared dress shirt and tie
- Dress blouse
- Dress shoes
- Blazers/ jackets
- Fine-knit sweaters that go over button-down shirts

**What to Wear?**

**Say YES to:**

Open front | Subtle colors | Simple patterns | Clothing that fits you & your body type | Modest colors/styles (pink, blue, brown) | Limited jewelry & accessories | Tailored/structured appearance | For dresses: hem that sits above the knee | Fabric choice

Never cover up away with the most conservative choice. It is always better to be overdressed than under!

**Just say NO to:**

Flare | Neon/bright colors | Off-the-line | Short dresses | Crop tops | Open tops | Cargo pants | Clothing with rips or tags | Shorts | Joggers | Tennis shoes | Flip-flops

It may be cute and fashionable, but that does not mean it is the right thing to wear when making a first impression.

- Black jeans (not ripped or faded)
- Collared dress shirt and appropriate neckwear (tie) or dress blouse
- Dress shoes or other sensible footwear
- Blazers and jackets
- Fine-knit sweaters that can go over button-downs/shirts

**DON'TS:**

- No athletic wear (sweatpants, sweatshirts, leggings)
- No shorts and crop tops
- No inappropriate pants, cargo style, or regular denim
- No beachwear, backless tops, 'streetwear', midriff-baring clothing
- No torn/ripped clothes
- No hats or hoods
- No exposed shoulders, skin-tight or revealing clothing

NOTE: Wearing a blazer or jacket, is recommended, but is optional. Wearing pants is recommended but if delegates choose to wear skirts/dresses, it must be AT or BELOW the knee!

NOTE: It should be understood that all "appropriate business attire" is clean and pressed.

### Don't:

# FAQ'S

*“We have a couple correct color polos but they have a little logo at the top of the shirt, is that ok?”*

- Yes! A small logo in the top corner of the shirt is acceptable. It should not be larger than a typical logo. Examples: the UA from Under Armour shirts, the little GAP bear, the Ralph Lauren Polo horse are all ok!

*“What can my child wear for PE? Can they change?”*

- right now, our students do not have the space or the time to change for PE. Please send them to school with the appropriate UNIFORM clothing and footwear on days they have PE. Girls: shorts under skirts and dresses are required.

*“I found a lot of cool Merit designs on the 1stSpiritWear website you posted. Can my child wear those?”*

- YES, they can wear them outside of the building, to and from school. They should also wear them out in the community to support our school and show Merit Bear Pride! but NO, they can NOT wear them in class. Only the APPROVED uniform hoodie is allowed in class.
- **but NO, they can NOT wear them in class. Only the APPROVED hoodie above is allowed in class.**

## FAQ'S- PT2

*“My student said they can wear whatever they want on Friday as long as it’s the color of their house?”*

- **NO**- this is not the case. They need to be in UNIFORM tops and bottoms. However, the tops can be their house color in a uniform style.

*“I can’t find a top in my student’s house color so can they wear a color that is close?”*

- Not really. The only variance we have on colors is “light and dark”.  
Examples: Light/dark purple are ok for Big Horn house, but fuchsia/ pink is not. Light/ Dark blue is ok for Falcon house, but teal is not.

*“My daughter has long arms, do her skirts and shorts really have to be fingertip length?”*

- Yes. All the time, even on Fridays.

## FAQ'S- 3

### ***“Will there ever be ‘dress down’ or ‘out of uniform days’.”***

- While this doesn't happen often, it doesn't happen occasionally. Be on the lookout for teacher communication for these fun days!

### ***“The policy says, “dark jeans”. What exactly does this mean?”***

- The policy does say “darker jeans” but also goes on to say that solid blue and black denim is acceptable. If they are light blue *denim*, they are acceptable. Light any other color denim– not acceptable.

### ***“What is the policy on leggings?”***

- Saying that students cannot wear leggings is not entirely accurate.
- They cannot wear leggings as pants.
- Leggings must be worn under skirts or dresses only!
- Leggings can be any pattern or color. This is where your girls can show their creativity.

## FAQ'S- 4

*“My student got a rip in their jeans while they were at school! Should I send a pair of new jeans in case this happens again?”*

- Yes, you can do this but it is not necessary as we have a uniform closet where the kids can borrow a pair of pants without rips or holes.

*“What shoes can my students wear?”*

- This one is answered better by what can the NOT wear:
  - No wheels in shoes
  - No heels more than 2”
  - No flip flops
  - No snow boots or rain boots in the classroom
